

HOOVER'S HAPPENINGS

Note From Mr. Elliott

Happy December!

We have a busy 15 days at Hoover this month. We have concerts, Culvers night and many fun activities in the classrooms. Service learning is important to us and it is incredible to see what kids can do to help others. I hope that all of you have a great winter break and enjoy some time with your children and families. Take care and enjoy!

Mr. Elliott

December

**No PTA Meeting

5 – Culvers Night

7 – Winter Concert

9:00 Rehearsal/ 1:30 Performance

14 – Winters BOCS Concert

9:30 Rehearsal/ 1:00 Performance

December 24-January 1: No School

Classes resume January 2

Note From School Counselor

The Attendance Matters flyers went home a couple of weeks ago, please take a few minutes to read it. Chronic absence is the single strongest predictor of dropping out of high school. Students who are absent can fall behind academically and miss opportunities for social experiences. They often feel stressed because **they have to catch up on what they've missed**. Please make sure your child is in school every day, all day, and on time. Also, please remember if your child will be absent or tardy, they need to be called into the attendance line. It's open 24 hours a day, 7 days a week by calling **414-604-3800**. Please contact me for any of your attendance concerns.

Ms. Amber Hill
hilla@wawmsd.org

Note From School Counselor

Every Monday, an article called **"Raising Caring Kids"** is sent out by email, by Ms. Hill, to every Hoover family. The program was developed by UW-Madison and it closely aligns with our Hoover values that we teach our students.

Pennies For Patients

Just a reminder that our Pennies for Patients drive will continue through December 14th. All money collected will be donated to the Leukemia & Lymphoma Society to help support kids who are fighting cancer. **Every Penny Counts!!**

Note From PBIS

At Hoover School, students work hard every day to be **Safe, Respectful, and Responsible**. These are our PBIS expectations, which are learned, practiced, and reinforced throughout the school year. One method used to assess the success of PBIS at our school is a fidelity check. The district PBIS coach surveys a sample of students K4-5th grade, and this year 100% knew and could speak about the PBIS expectations! Additionally, a detailed rubric is used to assess the implementation of PBIS at the school-wide level. Last year our score for Tier 1 (universal implementation) was 80%, and this year it is 90%! That's amazing! At the Tier 2 level (specialized implementation) we rose from 77% to 81%. We are so proud of the Hoover students and staff for their hard work in creating a respectful, responsible, and safe learning environment!

Note from Mr. Hegarty

PACER CLUB

Cardiovascular fitness is an important component of overall physical fitness. Regular participation in cardiovascular exercise can promote the loss of body fat, prevent disease, decrease stress and anxiety and help prevent childhood obesity. Aerobic Capacity is perhaps the most important area of any fitness program. The PACER (Progressive Aerobic Cardiovascular Endurance Run) is a multistage fitness test adapted from a 20-meter shuttle run for the 5th graders and 15-meter shuttle run for the 4th graders. The test is progressive, which means it is easy at the beginning and gets harder. This test will give a good approximation of how healthy a student is, in terms of aerobic capacity (heart health). All students have participated in the PACER assessment and the following Hoover students are being recognized for their outstanding efforts:

100 Club

Ethan Plier 102

90 Club

Liam Devine 94

80 Club

Kiki Jany 88

Alex McMillin 80

Devin Pope 80

70 Club
